SPEAKERS

Dr. Robert Stanley

Dr. Robert Stanley's professional career began as a Mechanical & Aerospace Engineer, providing him with a unique ability to master and share his understanding of biomechanics as it applies to dental implants. Dr. Stanley is a graduate of the University of North Carolina at Chapel Hill School of Dentistry. He is now known as "The Smile Engineer" and practices with his wife Bobbi Stanley in Cary, North Carolina. Dr. Stanley has extensive experience in implant surgery, as well as advanced bone and soft tissue grafting. His implementation of CBCT technology with guided dental implant surgery and guided sinus lift surgery makes planning and placing dental implants predictable and successful. Dr. Stanley is co-founder of the Stanley Institute which provides numerous training courses on grafting and implant placement. He uses his unique background in engineering and dentistry to help dentists painlessly master 3 key components of implantology: planning, placement, and prosthetics.

Dr. Udatta Kher

Dr. Udatta Kher graduated from Government Dental College and Hospital, Mumbai in 1991 and completed his post-graduation in Oral Surgery from the same institute in 1995. He practices in Mumbai and specializes in Implant Dentistry. Dr. Kher is also the Director of Impart Education, an academy which trains dentists in the field of Implant Dentistry and full mouth rehabilitation. Dr. Udatta Kher has lectured in the field of Oral Implantology in 25 countries across all continents, and has published over 40 in peer-reviewed journals and book chapters. He is an Xpert on Dental XP, the largest portal in the world for Continuing Dental Education, and authored the textbook 'Partial Extraction Thera in Implant Dentistry. He is the Consultant Oral Surgeon and Implantologist to the Hon. Governor of Maharashtra.

Dr. Ashvini Padhye

Dr. Ashvini Padhye completed her BDS and MDS in Periodontics from the prestigious Government Dental College in Mumbai in 1998. She has a clinical practice specialising in Periodontics and Implantology for the past 25 years in the heart of Mumbai. Dr. Padhye is the director of Recreate Regeneration Academy, Mumbai, an academy that focuses on training clinicians to hone their skills in hard and soft tissue augmentation. Dr. Ashvini Padhye has lectured extensively on national and international podiums, and has published in over 47 peer reviewed journals.

Dr. Padhye was a professor and HOD, in the department of Periodontics at the Mahatma Gandhi Mission Dental College, Navi Mumbai, and until recently was professor in the department of implantology at the same institute.

AGENDA
