a passport to long-term
clinical success

Mumbai, India | March 28, 2027

Prof. Dr. Hom-Lay Wang | Dr. Lorenzo Tavelli

 Global
Education
Tour 2027

BIOHORIZONS®

Speakers:

Prof. Dr. Hom-Lay Wang

D.D.S., M.S.D., PhD.

Prof. Dr. Hom-Lay Wang, DDS, MSD, PhD, is a Professor and the Director of Graduate Periodontics at the University of Michigan. A prominent leader in the field, he serves as the President of the Academy of Osseointegration (AO) and a member of the Board of Trustees for the American Academy of Periodontology (AAP), alongside leadership roles in major global consensus conferences and a past tenure as Chair and Director of the American Board of Periodontology. Dr. Wang is a prolific researcher who has co-edited 3 textbooks, written 60 book chapters, and published more than 850 scientific articles. His extensive editorial contributions include serving as Co-Editor-in-Chief for Clinical Implant Dentistry and Related Research (CIDRR) and holding editorial board roles for top-tier journals like Periodontology 2000 and the Journal of Clinical Periodontology (JCP). A highly decorated educator and scientist, his numerous honors include the AAP Outstanding Educator Award, the AAP Distinguished Scientist Award, the ITI Andre Schroeder Research Prize, and the 2023 R. Earl Robinson Periodontal Regeneration Award.

Dr. Lorenzo Tavelli

D.D.S., M.S., PhD

Dr. Lorenzo Tavelli, DDS, MS, PhD, is a full-time assistant professor and the Director of the Postgraduate Program in Periodontology at the Harvard School of Dental Medicine. A graduate of the University of Milan, he completed his Periodontics residency and Master of Science at the University of Michigan and is a diplomate of the American Board of Periodontology. In his clinical practice and research, Dr. Tavelli specializes in microsurgical, minimally invasive soft tissue grafting around teeth and implants, pioneering the use of High-Frequency Doppler Ultrasonography and wound healing biomarkers to evaluate graft perfusion. An internationally recognized speaker, he has published over 120 peer-reviewed articles and serves as an Associate Editor for the Journal of Periodontal Research and Clinical Implant Dentistry and Related Research. His contributions have earned him numerous prestigious honors, including the 2024 ITI Andre Schroeder Research Prize, the 2023 AAP Earl Robinson Regeneration Award, and the 2022 AAP Foundation Nevins Clinical Research Fellowship.
